about orange tree toys

Orange Tree Toys are a family owned and run business, founded in the UK by sisters, Anuja Wilson and Lamani Simons. Both are passionate about recreating the traditional type of toys that they remember from their own childhood.

Over the past 25 years the company has grown steadily and now has an established, hard working and creative team. With a wide variety of products, Orange Tree Toys design and manufacture both bespoke and own brand products, as well as having the license for the classic childhood favourites; Peter Rabbit™.

All of our products are designed in the UK at our headquarters in Cheltenham, which is located in the heart of the Cotswold countryside, a beautiful place to inspire our creative team who are constantly on the lookout for exciting new ideas to keep our range innovative and fresh for all of our customers.

Our designs are fun, brightly coloured, and always keep children and their development in mind. Absolute safety is our priority; all our toys comply with EN71 European Testing Standards and are all CE marked. We ensure that our production partners are committed to providing responsible working conditions.

sustainability

The mark of
responsible forestry

All of our products are made entirely from FSC®-certified wood. By choosing these products, you are supporting responsible management of the world's forests.

All of our products come in beautifully designed, fully recyclable packaging.
