Ukoliko ste kupili igru, a ne pretplatu:

Ukoliko ste kupili pretplatu, igre skidate isključivo sa dobijenog naloga

Nakon što se igra preuzme, igrate je sa dobijenog naloga, odnosno sa naloga sa kog ste preuzeli igru.

@playworldrs

- Nakon preuzimanja, igre pokrećete **isključivo sa dobijenog naloga**. Dobijeni nalog se ne briše sa konzole, zbog deljenja licence.
- Internet konekcija Vam je neophodna za igranje.
- Promena bilo kakvih podataka na nalogu je **STROGO ZABRANJENA!**
- Jedan nalog može da se koristi isključivo na jednoj konzoli. Ukoliko želite da prodate ili zamenite nalog, dužni ste da nam to prvobitno prijavite, odnosno da nam dostavite kontakt podatke od novog korisnika naloga, a sa kojim ste izvršili razmenu.
- Nepoštovanje bilo kog od navedenih pravila dovodi do gubitka **garancije**, odnosno oduzimanja pristupa nalogu, bez prava na povrat novca, odnosno reklamaciju. **Prijavom na nalog prihvatate sva navedena pravila u priloženim instrukcijama.**

@playworldrs

HVALA VAM NA UKAZANOM POVERENJU!

Ukoliko imate dodatnih pitanja, stojimo Vam svakodnevno na raspolaganju, u svakom trenutku!

GARANCIJA NA UPOTREBU

- Garancija na korišćenje naloga podrazumeva da se tokom rukovanja i upotrebe naloga poštuju sva pravila navedena u dokumentu koji je priložen, odnosno namenjen za aktivaciju proizvoda.
- Garancija je neograničena počevši od trenutka kupovine, ili posebno može biti ograničena u slučaju da sam izdavač igre, odnosno sistema na kom se pokreću igre, promeni svoj pravilnik o korišćenju u nekom trenutku, na šta nijedno treće lice, uključujući i PlayWorld, ne može da utiče.
- Kršenjem bilo kog pravila o korišćenju, garancija više nije važeća, bez prava na povrat sredstava.
